## Digital Book

Using our NCLEX practice test questions allows you to reinforce your strengths and improve your weaknesses. These cards contain several practice questions on the front, with answers, rationales for correct and incorrect options, cognitive levels, nursing process steps, and NCLEX test plan categories on the back. All organizational and test names are trademarks of their respective owners. If the item details above aren't accurate or complete, we want to know about it. All organizational and test names are trademarks of their respective owners. It may sound obvious, but you need to know which questions you missed and why you missed them. Being familiar with the different types of questions and answer choices that you might see on the official test is a big advantage. Another benefit of taking practice tests is that you can measure your performance. This helps you avoid making the same mistakes on the real test. You'll also receive an overview of the latest NCLEX-RN test plan, and valuable test-taking tips. 0 0 add-to-cart 9780323057424 2011 and earlier Professional By Martin S.
